NEW YORK TIMES
MCCARTHY
~~CHRONO~~

14 February 1966

MEMORANDUM FOR: Mr. Helms

SUBJECT: Timing of NEW YORK TIMES' Articles on CIA

1. This memorandum is for information only.
2. The NEW YORK TIMES' five articles on CIA will NOT be printed this week, may not be printed next week, but are "imminent" without a definite beginning date having been set.
3. The "Promotion Department" is in the picture. The writing, the compromising, editing, and re-editing is finished.
4. The Promotion people, I am told, want to have the series pegged to a news event. They agree to the "Monday to Friday, inclusive" time-period for the five articles. There will be no by-line, I am told, but a box will carry the names of five Washington Bureau writers who participated: Wicker, Frankel, Finney, Raymond, and Kenworthy.
5. The needed "news event" re CIA is said to be considered "most desirable" but may have to be a statement by McCarthy and some other members of Congress unless there is some other "break" very shortly re the Agency.
